

Tisgrow AI-Consultant

Innovation in Care & Redeeming Time

Beauty + Technology = More Time for the Most Important

The Challenge

The Administrative Burden in Modern Clinics

Solution: Tisgrow AI

Meet Your New Assistant

Tisgrow handles all routine tasks, allowing your professional staff to focus on clinical excellence and patient care.

- 24/7 Automated Scheduling
- Instant FAQ Responses
- Patient Consultation Pre-screening

Intelligent Interaction

Friendly Tone

Tisgrow communicates with a caring, human-like voice that builds trust and rapport with your clients from the first second.

Caring Guidance

Not just a bot, but a consultant that understands needs, creates comfort, and ensures a seamless transition to the clinic.

Business Advantages

Time Saving

Eliminate hours of manual
phone calls and
messaging every day.

Service Quality

Instant responses ensure
no client is left waiting or
ignored.

Modern Image

Position your salon or
clinic as a high-tech
industry leader.

From Chaos to Harmony

Process	Before Tisgrow	With Tisgrow
Response Time	Minutes to Hours	Instant (1.5 seconds)
Staff Focus	Interrupting treatment for calls	100% focused on clinical work
Booking Errors	Common human mistakes	Precision automation

Redeeming the Time

"So keep strict watch that how you walk is not as unwise but as wise persons, making the best use of your time, because the days are wicked."

— **Ephesians 5:15, 16**

By automating routine, we free our energy for the most important goals: spiritual growth, ministry, and family.

Supporting, Not Replacing

100%

A Supportive Tool

Empowering Humans

AI is not a competitor but a powerful assistant. It removes the burden of monotony, allowing the staff to breathe and enjoy their noble work.

Harmony of Tech & Faith

A new world of service where technology serves beauty and spirituality, creating a peaceful space for progress and peace.

Questions?

Let's discuss how Tisgrow can help your business redeem its time.

Modern Visual Content

-  High-resolution professional medical clinical photography.
-  Modern holographic UI overlays for clinical visualization.
-  Respectful and high-quality spiritual visuals (NWT Norsk/English style).

"Whether you are eating or drinking or doing anything else, do all things for God's glory."

— 1 Corinthians
10:31
